

Half Term Intro to Architecture Workshop

Calling all budding architects, future designers, natural creatives, urban explorers - aged between 14-17, living on **Mansell and Middlesex Street Estates**

Join us for a **free 3-day creative workshop (30 Oct-1 Nov)** exploring building(s), design, history - and making stuff at Artizan Library

Project includes:

- making / learning with professional architects / designers;
- exploring The City and its 'built environment'
- creating an exhibition at Artizan Library

Places are limited and must be booked in advance; apply via QR code - or email office@architectureforall.org.uk for more information

Supported by The City of London Corporation.t
